

URBINO + EYE. EDITION

URBINO +EYE. EDITION

The tableware classic URBINO - designed by the famous porcelain designer Trude Petri in 1931 - stands like no other tableware for the „new objectivity“ style of the Bauhaus movement. Hand decorated by the KPM painters with a platinum +EYE.® graphic, it receives a surprising twist.

URBINO, a prime example of timeless porcelain design, is part of the collection in the Museum of Modern Art and in the Metropolitan Museum of Art.
