

+EYE<sup>®</sup> WHITE KNIGHT

# +EYE<sup>®</sup> WHITE KNIGHT *"Purple Two-Tone"*

Porcelain is revered by connoisseurs as „white gold“. This passion was also shared by Frederick the Great. Purple red - also known as couleur de rose - was said to be his favourite colour. The historic combination with a slight black still has a contemporary appeal nowadays.

Each +EYE<sup>®</sup> White Knight is individually hand painted in Berlin. Its timeless decoration is an expression of royal elegance in a modern context.
